Greetings once again from Cd. Juarez, Mexico,

Time sure has flown by since our last prayer letter, the end of summer and back to school will be here before we know it. I'm excited to share some of the victories, some of the challenges and some of our prayer requests with you. I want to thank each of you for the interest in our ministry and your support – both prayer and financial!

Satan Fights! I think I may understand a little bit better what Nehemiah went through as he tried to rebuild the walls of Jerusalem. Never have we faced so much opposition, seemingly from all sides, as we have since we started the seminary project. I'll mention just a few: one church had their roof blown off in a wind storm; another church lost their lease and have had to move to an abandoned house for the time being; one church had 4 families leave; equipment breakdowns; tools stolen; severe family problems; financial difficulties; problems with paperwork; costs exceeding budgeted amounts, and many more! These are a few of the reasons we covet your prayers. We know we are more than conquerors in Christ, but at times the opposition can seem overwhelming.

Seminary Progress! Even with the challenges, the Lord has blessed the Seminary project. We were able to close on the property I talked about in the last letter. We've been able to start construction and have built a 165' front wall, installed a barbed wire fence on 2 sides of the property, done some dirt work, poured the concrete pad for the first building, and laid blocks for the first building a little over 5' high. We hope to finish all the exterior wall construction in the coming weeks.

We certainly need your financial help to continue on with the construction. Would you consider a special offering towards this project? I know some churches could help with \$1000 or more, but any amount would be a blessing. I wish I didn't have to ask for your help but you are the only option we have to finish this phase. Please help us train the next generation of pastors and missionaries.

We have just finished the first semester of the Seminary with 8 students. Over half of our students had never personally won a soul to Christ, but that has now changed and praise the Lord, 5 of our students won at least one soul to Christ since our last letter. There are more prospective students planning on enrolling for the fall semester which will begin in just a few more weeks.

Prayer Requests: Spiritual and Personal Strength. Wisdom and Direction. Financial needs. Pastors Angel Luna, Manuel Garcia, Alberto DeAnda, Lorenzo Ballinas, their families and churches. Seminary Students. I know it's a long list but we need the Lord's protection and provision – Please pray for us!

Looking for that blessed hope and glorious appearing!
