MISSIONARIES TO MEXICO

October / November 2013

THE ENEMY ATTACKS!!

Satan is never happy when the Lord's church is moving forward. We had turned the church (Castillo Mio) over to Brother Hugo Luna in December of 2012. In retrospect, it may have been premature on our part, but we can also see the Lord's reasons for leading us to do it. In late August, 2013 we felt the need to return to re-enforce the church for the time being due to a rebellion that rose up against the national pastor. Due to this rebellion, we have lost 3 "major" families – the Sunday school director, the music director, and assistant treasurer.

We know the Lord is in control and things seem to be stabilizing well. We had full services the last 2 Sundays (September 8 and 15, 2013) and the spirit seems to be good. Kelly and I have taken over the Jr. Church for the next 10 weeks until late November.

I feel right now that the Lord would have us to stay there until next spring (2014) and then as He leads to start another church in the area as a mission from this church. Please be in prayer for this church and us.

Update on Fractured Hip: For the first time since my injury, I am starting to feel much better. I return to the orthopedic surgeon on Sept 27th for a new evaluation. Please pray that I will be able to stop using the cane, and be able to return to doing exercises again.

Ministry Updates:

Iglesia Bautista “Castillo Mio” – Cd. Juarez, Chihuahua – Even after the problem in this church, we celebrated the fourth anniversary on Sept 8th and had a full house with 88 present. Several of the leaders including Pastor Hugo and myself have refocused our efforts to reaching more lost souls, baptizing them, and teaching them. Focusing on the Great Commission and training new leaders always brings excitement to any ministry. We are excited for the months ahead and to watch the Lord work in our midst.

I put together a pictorial history of this work that covers the last 4 years of our ministry. You can download a copy and print it here: www.2EveryCreature.com/pictorial-history/

Iglesia Bautista “Esperanza Mia” – Cd. Juarez, Chihuahua – This daughter church of Castillo Mio has offered us their unconditional support as we go through this trying time. They are only 4 miles from Castillo Mio, and have teamed with us in soulwinning and have also helped us with our music program. We have also been helping them in their soulwinning efforts on a different night. It is a blessing to see sister churches working together in harmony. Pastor DeAnda reports good attendance at all their services.

Iglesia Bautista “La Gracia” – Bermejillo, Durango – I was able to preach at the 8th anniversary service in July. How time flies! It was exciting to see their faithfulness to the Lord and a crowd so large we had to hold this service beside the church, I estimate between 150-180 present. Pastor Lorenzo came to Juarez to preach our anniversary on Sept 8th and has developed into a great preacher. Please remember this work in your prayers.

Brother Angel Luna – Bermejillo, Durango Bro. Angel seems to be making good progress in his recovery, and I am sure that he will be able to stand and even move a bit before the year is over. Please pray to that end. Bro. Angel has expressed a desire to return to the Juarez area to start another work as soon as he is able. That would be a great Joy for me to be able to work together once again. – There's so much left to do!

Looking for that Blessed Hope and Glorious Appearing! – Keep looking up!
