## MISSIONARIES TO MEXICO

### **April / May / June 2015**

Once again I am happy to report to you from Juarez, and to let you know that the Lord has been blessing us far above what we can ask or think. The last few months have been full of work, salvations, baptisms, discipleship, as well as a couple evangelistic outreaches. Thank you for your prayers and support, without which we wouldn't be able to do what we do.

**Iglesia Bautista “Maranatha” – Cd. Juárez, Chihuahua** – What an exciting time we've had starting this new church. The Lord has been blessing in a great way. We've seen souls saved each and every week during our soul winning time. We recently have had 14 people baptized! It has been fun to watch as these new brothers in Christ are growing.

In April we had an open air meeting in a nearby park and there were over 200 present and many professions of faith. A young missionary couple (Blake and Areli Buskager) have come to apprentice for a year in this work. They have done an excellent job and have started a Saturday Kid's club in the park. They have had an average attendance of over 30 children, and many of these have become faithful in attendance along with some of the parents.

Three men have been faithful in attending since that first meeting. Two of them have helped in subsequent evangelistic meetings, and one has been faithful to weekly soul-winning for the last six weeks or so. One complete family have been attending faithfully on Sundays and the whole family was baptized 3 weeks ago. Another man has been attending fairly regularly who is blind, his name is Jose. I am trying to locate an audio Bible for him. I recently met a woman named Beatrice while soul winning who also needs an audio Bible as she cannot read.

One blessing in this work is that the majority are new believers. The exciting thing to me is that they are growing quickly without pre-conceived ideas or bad habits from other churches. Please pray for their growth.

Please be in prayer for Pastor Angel Luna as he continues to recover from paralysis. He has made so much progress, and can now move somewhat on his own with crutches or a walker. He recently got a brace to help straighten one of his legs and has been going to some rehab sessions. I believe he will walk again someday, please pray this will be soon.

**Iglesia Bautista “Castillo Mío” – Cd. Juárez, Chihuahua.** This church continues to advance with the development of more leadership. They have continued training all the congregation in soul-winning and are growing steadily. Pastor Manuel Garcia has now entered into his second year as the pastor here and he and his wife Susy have been doing a great job. Continue praying for them and the rest of this work.

We recently held an evangelistic meeting with this church and they are doing the follow-up on all the contacts. Several of their teens helped with the puppet program, and the rest of the church led groups out on visitation. They are planning a large VBS the first week of August, this year they will be doing the VBS on their own without help from us.

**Iglesia Bautista “Esperanza Mia” – Cd. Juárez, Chihuahua.** We helped celebrate the 3<sup>rd</sup> anniversary here in May and it was truly a blessed time. There were well over 200 in attendance on this Sunday. The children had to be dismissed and still there was not enough room for all in attendance. Praise the Lord!

Pastor DeAnda was suffering from a ruptured disk on the anniversary and had to go for emergency surgery the following Tuesday. He is recovering well, but still has some pain in his left leg. Thank you to those who helped cover the medical expenses. Please pray for him as well as this church.

*Looking for that Blessed Hope and Glorious Appearing!*
