Dear Pastors, Supporters and Prayer Partners,

I am excited to once again be able to share with you some of the blessings and news items since I last wrote. The Lord continues to work in our lives and the lives of those we are ministering to. We continue working closely with 3 of the churches in Juarez and teaching in the Seminary which seems to keep us busy enough. We are hoping that this letter finds you well and enjoying the blessings of the Lord. I want to take this time to wish you a Happy Thanksgiving and a Joyous Christmas season. Thank you for partnering with us as we labor in this mission field.

Iglesia Bautista Castillo Mio Things seems to be going well here with new families every time I preach here. Pastor Manuel Garcia has been working to turn over more and more of the preaching duties to the faithful men of this work. Brother Manuel and one other couple are currently planning to start a new mission soon. They have found a neighborhood within a few miles of the church that has no Baptist church or anyone really reaching that area. Please pray for them as they start the new work.

Iglesia Bautista Esperanza Mia There have been ups and downs for Brother DeAnda and this church over the past several months. They have moved their church into an abandoned house and we've been busy trying to clean-up and build a small auditorium. They have been able to reach some new people through weekly soul-winning and the services have been well attended. There is a property they are hoping to buy in the new year.

Iglesia Bautista Maranatha Pastor Angel Luna and this church have struggled with low attendance in the services, but their Saturday children's club has had faithful attendance of between 40 - 50. This has lead to opportunities to evangelize several parents as well. Please pray that the Lord would give them some faithful men to help this work grow

Seminario Bautista Fundamental - Cd. Juarez We have an excellent group of students this trimester. We're closing in on the end of the second trimester in which we've been studying the book of Romans and Personal evangelism. The students have all been participating in soulwinning and recently we spent several hours outside of a local hospital witnessing and passing out tracts. We have at least 2 new students planning to start in January and there are several more prospects. Please pray that the Lord would send more laborers that we could train to carry on the ministry.

Construction Progress The entire perimeter wall has been finished which is a great blessing as far as security. Thank you for those who have sent offerings to help us in the construction. We've been slowed by lack of funds for the past 6-8 weeks. The reality is that our people simply do not have the financial ability to finance this project. They are contributing but when the average man in our churches earns less than \$65/week there just isn't enough to continuously move ahead. Our financial ability does not change the fact that the Lord can provide when He sees fit. Pray for the Lord's direction and provision.

Prayer Requests: Kelly's health, financial needs, more laborers, wisdom and direction.

Looking for that blessed hope and glorious appearing!
