Dear Pastors, Supporters and ministry Friends,

Greetings once again! We are sure excited to be able to let you know a few of the exciting things God has been doing in our lives and ministry since our last letter. We've been busier than ever; Preaching the Gospel, Establishing Churches and Training Believers to carry-on until Jesus returns for his own. Thank you for your support and interest in our ministry!

Preaching the Gospel – Kelly and I go out with at least two different churches each week to seek the lost and share the Gospel with them. The Lord has been blessing our efforts with several professions of faith in Jesus:

- Kelly led Flor (Flower) to the Lord on a Saturday morning about 6 weeks ago. She along with her children Joseline, Cesar, and Kendra haven't missed a service since! Flor's husband Rubice recently trusted Christ and hasn't missed a Sunday service for a month! The 3 children are part of our class – pray they'll understand and be saved soon!
- I was privileged to lead 2 men to the Lord: Salvador and Clemente. Although they have not attended church yet, Salvador has finished his 1st discipleship book and is planning to attend to receive his Bible and certificate. Clemente was very sincere in his profession of faith, but Satan attacked right away; his out of town brother who is a "Jehovah's witness" moved in with him and contradicts everything we have taught him.
- Kelly and I together led a man Alejandro to the Lord about a week ago. He is an indigenous (Indian) man from the state of Guerrero. He has battled with alcohol for many years but desires to change and with the help of the Lord he'll be successful!

Keep the new converts in prayer. Satan has lost their souls, but as you well know wants to stop any growth in it's tracks. There are others, but space doesn't allow me to share all the stories. It seems Mexico is wide open to the Gospel, pray it stays that way!

Iglesia Bautista Esperanza Mia – We are working with this church regularly through July. They recently held their first missions conference with seemingly great success. I am teaching Faith Promise in Sunday School to the adults and teens and plan to take up the commitments in early July. A problem with missions giving in Mexico is it has been very sporadic. We hope these lessons will solidify their missions giving thereby multiplying your support many fold! We participated in the ordination of their first deacon the end of May. Please continue praying for this church as they mature in the Faith.

Seminario Bautista Fundamental – Our 2nd year started the seventh of May with 4 - 2nd year students and 5 - 1st year students. A young man is auditing classes with the intention of enrolling in September. The Lord allowed us to purchase an existing building to house the Seminary and we hope to begin using it by September this year. There is some remodeling and fix-up to do. Thanks for your prayers for this property! Please keep the students and us in prayer as we train another generation to serve God.

Prayer Requests: More Laborers, More Souls, More Students. => Wisdom, Direction, and Strength for the battle! => Our home church as they transition to our new pastor, Bro. Allen Domelle.

Looking for that blessed hope and glorious appearing!
