MISSIONARIES TO MEXICO SINCE 1998

"To preach the gospel in the regions beyond you..."

– 2 Cor. 10:16

Dear Pastors, Supporters and ministry Friends,

Hola from south of the border! What a privilege it is to represent you in Mexico. The Lord continues to use your prayers and financial support to reach the lost and train the saved here in this corner of the world. Summers are always very busy here with vacation Bible schools, hosting mission trips, institute classes and construction projects. **Thank you for your part in the ministry in Juarez!**

Summer Mission Trips – Summer is an exciting time for us as we have a few churches visit us to help with different projects and in open air evangelism. This summer we hosted one church group and one of our supporting churches was part of a trip hosted by Bearing Precious Seed. BPS can host much larger groups than we can, and it's always a blessing for us when any of our supporting pastors and churches can spend a few days here.

- **Rocky Mountain Bible Baptist Church from Longmont, CO** came with BPS in June and worked with 3 different churches we've helped start in Juarez! Each evening there were several professions of faith as well as several prospects for follow up. We've had visitors in all of the churches from these events. It was a real blessing to me to be with Pastor and Mrs. Martinez and share a brief time of fellowship with them.
- **Calvary Baptist Church from Chickasha, OK** was able to bring a group in late July and early August that also worked with 3 different churches. They helped us with some work projects and we were able to pour a concrete floor in a children's Sunday school room and help with demolition and painting at the Seminary property. Each night we held outreach programs and besides the salvation decisions, we gathered names and addresses of many prospects as well. Each night there was a program presented by its respective church. Pastor Patterson's and his church were a great blessing to us!

Are short-term trips effective? My answer is absolutely! Here are just two reasons: One, these trips help us to identify families that are open to the gospel. There are several complete families that are now faithful members of our churches that were reached at an open-air meeting. Two, God uses these trips to work in the hearts of the participants as they see God work in ways seldom seen in the US. Besides myself, I know several missionaries that were called while participating on a short-term trip.

Seminario Bautista Fundamental – We are currently on break, but classes resume on September 10th. I've been trying to get a few small projects done before classes resume. We need to obtain some furnishings before the next trimester starts, so please pray with us that the Lord would supply our needs in this area.

Prayer Requests: The four churches we work close with: Castillo Mio, Esperanza Mia, Maranatha, and Senda Antigua and for their respective Mexican Pastors. That God would give us laborers, and the direction to reach more souls and future generations with the gospel. Finances for the Seminary.

Looking for that blessed hope and glorious appearing!
