

TIM AND KELLY URLING

MISSIONARIES TO MEXICO SINCE 1998

November | December 2018

"The great commission is not an option to be considered: it is a command to be obeyed"
– Hudson Taylor

Dear Pastors, Supporters and ministry Friends,

If you're like me, you might be wondering what happened to 2018? The New Year is upon us and the Lord's return grows ever closer! Our prayer is that we'll be found faithfully serving when that glorious day comes. We thank you for your faithfulness as you serve the Lord and for your support and prayers for the mission here in Juarez.

Iglesia Bautista Senda Antigua – During the first Missions Conference, there were 6 baptisms along with 3 professions of faith. Also, 13 people stood to declare their commitment to serving the Lord in whatever capacity the Lord would use them. There were several who committed to support missions through the faith promise program of this congregation less than one year old. In early December a wedding took place to formally unite a couple who previously had been living together. They want to serve the Lord and realized that they would have to do things right if they wanted the Lord's blessings on their lives. It's exciting to watch this new church as it grows and matures in spirit.

Children dressed in costumes representing different countries during missions conference

Seminario Bautista Fundamental – Another trimester has come and gone, and we are now preparing for the next trimester in January! Brother Esteban Malaga finished his first year and was awarded his certificate as well as a reference book to add to his tool box. We are holding steady with the number of students and hope to add a few more this next semester.

We just finished teaching Pauline Epistles I and, the Doctrine of Salvation the next classes will be Homiletics for the men, Children's ministry for the ladies, as well as Old Testament II (Job-Malachi). Continue to pray for our students to be faithful

Iglesias Bautista Castillo Mio, Esperanza Mia, & Maranatha – These 3 Churches were able to participate in a Medical Mission Outreach the last week of November. A medical team of doctors, nurses, and a pharmacist worked one day with each church holding a free medical clinic. Between the churches we saw close to 100 patients each day with the gospel being presented, as well as complete contact information for each one. We've had visitors in the services and several professions of faith. Pray as we work to give a complete follow-up.

Prayer Requests: Wisdom, Power, Guidance. Kelly's continuing hip pain. More souls and more laborers! The churches we work closely with. The seminary students.

Looking for that blessed hope and glorious appearing!
