## Dear Pastors, Supporters, and ministry Friends,

Thank you for partnering with us on the mission field in Juarez, Mexico! Recently Kelly and I heard an illustration that is of great importance for the larger church today. Please bear with me as I share this illustration with you.

A Christian missionary in Northern Africa was very frustrated with his lack of progress in reaching souls in the area. One day, he met a Muslim in the market and asked him what he saw as the key to the apparent success in reaching the local population with his religion. The Muslim quickly replied, "That's easy, every Muslim believes his job is to be a missionary, while it seems, every Christian thinks it's the job of a select few."

As we visit in churches both in the US and in Mexico, we find this attitude to be all too common. Unless we do all that we can to reach the lost, they will spend eternity in hell. One day each of us will give an account to God for our lack of missionary outreach – to our neighbors, as well as to the entire world.

**Seminario Bautista Fundamental** – Our summer trimester got started the first part of May and is scheduled to end the end of July. There are 8 students studying in the seminary along with 5 more that are taking classes in Piano and Guitar.

I honestly believe that if the Lord tarries His return the best possible thing, we can do is raise up another generation that serves the Lord. Please pray for Mauricio and Petra, Mario and Marta, Esteban and Sandra, Javier, Veronica and Carmen as they prepare to serve the Lord. The devil is always fighting!

**Churches** – There are 5 churches that we helped establish that we work fairly close with. Each of these churches has a Mexican pastor and while each is unique, they are all excited for the fast approaching summer activities.

Each church has planned Vacation Bible Schools as well as the regularly scheduled activities. Summertime presents its challenges along with its opportunities. Pray that each church and their members will remain faithful to the Lord and continue to impact their respective areas for the Lord.

**Family** – I imagine that most of you heard that my mother went home to be with the Lord on April 18<sup>th</sup>. In my last letter I reported that she seemed to have improved somewhat, but the Lord in his mercy decided that her time on this earth was done. Of course, we have natural sorrow that comes with the loss of a loved one; we also rejoice in a life well lived.

The last 6 months were difficult as we tried to balance honoring my mother while she was under hospice care and still maintain our ministry and family responsibilities. Thank you to those who prayed for us during this time!

**Prayer Requests:** The border situation and flood of immigrants in Juarez. More souls and more laborers! God's protection. Kelly's health.

***Looking for that blessed hope and glorious appearing!***
