*"For my thoughts are not your thoughts, neither are your ways my ways, saith the LORD.  
For as the heavens are higher than the earth, so are my ways higher than your ways,  
and my thoughts than your thoughts. ." - Is. 55:8-9*

With everything that has been happening in the world for the past months ... Do you ever wonder what it is that the Lord is doing?

I know that those thoughts have crossed my mind more than a few times during this Covid-19 crisis. But, rest assured, God is in Control and He has a plan for all this!

## Dear Pastors, Supporters, and Ministry Friends,

We hope this letter finds you in good health, with your needs met. We would like to thank you for your faithfulness to the Lord and for your missionary support and prayers. Gal. 6:9 Declares that we will reap in due season if we faint not. With all that is happening, I cannot help but think that our redemption is drawing near so, Keep Looking Up!

As I write these words the U.S. border remains closed to "non-essential" crossings and church gatherings in Juarez are still not allowed. The border restrictions are currently scheduled to be removed on June 22, but church gatherings depend on the orders of the government officials. Juarez is still being affected with over 300 Covid-19 deaths (nearly 100 in the last week. The health care system and testing are way behind the U.S. Please pray that the peak will be reached soon, and we will soon be able to resume our regular activities.

We are "Waiting on the Lord" and know that whatever His plan may be, that He will receive the Glory in the end. We know that this has been a trying time for everyone, and we pray that the Lord sheds His peace in your hearts as well as ours.

**The Churches** – The restrictions on gatherings were implemented in early March and have severely impacted the churches, especially financially. With many jobs off limits and no unemployment or stimulus checks, the people have been without work and many with no way to pay even their necessities, please pray for them. We continue to help the pastors with a love offering twice a month, just to help them a little. Thankfully, they are being faithful to minister to their flocks as best they can. Please pray for them as well.

**Seminario Bautista Fundamental** – We still have not been able to have the graduation ceremony and dinner, and although it has been frustrating, I can see the Lord's protecting hand through the whole situation. One of the men scheduled to graduate (Mauricio Caraveo) was infected at the time and was hospitalized 5 days after the planned graduation. He spent a total of 28 days in the hospital and is still quarantined at home. Praise the Lord his family was not infected and for God's protection as I am sure if we would have held the graduation it would have infected far more people. Continue to pray for his continued recovery, his oxygen levels are low, and he gets winded often. We canceled the Summer trimester and hope to resume classes in September the Lord willing.

**Prayer Requests:** Please continue to pray for Health and Protection, for Guidance and Direction, for the seminary and the churches, for more souls and more laborers!

*Looking for that blessed hope and glorious appearing!*
