MISSIONARIES TO MEXICO SINCE 1998

"A Christian that is not deeply and earnestly involved in the worldwide proclamation of the gospel does not understand the nature of the gospel or the church."

Dear Pastors, Supporters, and Ministry Friends,

Greetings in the name of the Lord Jesus Christ. I hope this letter finds you well and enjoying the blessings of God. We are so blessed to have you as one of our supporters and want to express our thanks for all your prayers and support.

We all know that "All things work together for good to them that love God", but from our limited perspective it sure is difficult to see and understand it sometimes. I admit 2020 has been one of those times for me. I'm sure that Joseph experienced some similar frustrations when he was sold as a slave, the falsely accused and imprisoned, then forgotten about for years. I calculate that from the time his brothers sold Joseph until he was elevated to prime minister of Egypt was somewhere around 13 years, and until he reconciled with his brothers was several years more. What we are facing, even though frustrating, is nothing by comparison, yet God used all of Joseph's adversities for good. Joseph said, *"But as for you, ye thought evil against me; but God meant it unto good, to bring to pass, as it is this day, to save much people alive."* Gen. 50:20

If we want to be found faithful what do, we do? Trust and Obey! As the hymn says there is no other way to be happy in Jesus but to trust and obey. So far COVID has claimed the lives of 885 people in Juarez alone! Many restrictions are still in place including crossing the border bridges, in person meetings are still restricted to 50% capacity with no children's classes, mask use and other precautions are still mandatory. While frustrating and difficult we need to trust that God has everything under control and He will get all the glory in the end. By obeying God and submitting to the authorities as best we can we give a proper testimony to our children, churches, and communities that we trust God even when we can't understand. I am encouraged by the story of Joseph; I hope and pray it doesn't take us as long to see God's mighty hand at work!

Mexican Churches & Pastors – We thank the Lord for the churches in Mexico that the Lord has enabled us to partner in establishing (9 total). They are preaching the gospel, seeing souls saved and baptized and lives are still being changed.

One of the dangers attacking our churches is one we all need to be aware of. False doctrine is being spread on the internet and through "Christian" books and articles. Please pray for our pastors that they would stand firm on Word of God. The prophecies of an end time apostasy are very prevalent today and rapidly spreading through modern technology – even in Mexico!
