

TIM AND KELLY URLING

MISSIONARIES TO MEXICO SINCE 1998

May | June 2021

"And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also." 2 Tim. 2:2

Dear Pastors, Supporters, and Ministry Friends,

Greetings once again from the El Paso / Juarez border. Although COVID restrictions on the U.S. side of the border have relaxed considerably, they remain in place on the Mexican side. The restrictions on the bridge prohibiting non-essential travel remain in place so we are still waiting to be able to resume all our activities in Juarez. Hopefully on June 21st.

2nd Timothy 2:2 (above) has been a theme of our ministry since the beginning. We know that God's Word is always profitable for everything, and we are experiencing the Holy Spirit's wisdom firsthand on our mission field. One of the men I learned from said, "Don't do anything on the mission field that wouldn't continue if you had to leave the field in 90 days." He said he learned from sad experience the reality of countries closing and expelling missionaries. Although the current situation is not the same, the principle is sure true in our case.

Even though we've not been able to be an in-person participants with our churches in Mexico, I am happy to report they are all continuing to be faithful and moving forward during these challenging times. Praise the Lord for faithful men!

Iglesia Bautista de la Gracia, Bermejillo Durango – We're so encouraged by the news from this church that we helped start 15 years ago. Pastor Lorenzo who was saved, trained, and ordained by this church and Pastor Angel Luna continues to lead it in reaching more souls. There is a small group of church members in a nearby town that have had trouble with reliable transportation to church so, one believer donated a piece of property and they have begun construction a small mission in the town and are holding a regular service there.

Iglesia Bautista Castillo Mio, Cd. Juárez, Chihuahua – Pastor Pedro Guitierrez and this church have been able to re-start regular services with limited capacity and health protocols in place. The Lord has blessed them with 4 brand new families in the last few weeks. They were able to visit each of them in their homes and all desire to become members of the church and serve there. God truly does bless faithfulness!

Iglesia Bautista Maranatha, Cd. Juárez, Chihuahua – The building where we had been meeting for nearly 6 years was purchased by a business and requested the church vacate the property. Normally this would be sad news, but the business decided to build us a building to meet in indefinitely at no cost to the church! It should be ready sometime this month! God's blessings continue to flow! Pray that we could soon fill it up.

Prayer Requests – Kelly and I were able to spend some time with Alfredo (the dentist) and Karen in their home. I gave him a complete gospel presentation, but they have not trusted Christ yet. Continue praying for them to be saved soon. Please pray that the Lord would guide us as we seek his will and that the border restrictions would end soon.

Looking for that blessed hope and glorious appearing! Amen!
