"Wait on the LORD: be of good courage, and he shall strengthen thine heart: wait, I say, on the LORD." Psalm 27:14

Dear Pastors, Supporters, and Ministry Friends,

We hope that God is blessing you wherever it is that you are serving him. I sure wish that I had some different news to report to you regarding the border situation, but we are still waiting on the authorities to relax the border restrictions. Each month they tell us on the 21st of next month, and when the day arrives, they extend the restriction until the 21st of the next month. Our frustration is beyond words as this has been happening for many months!

I must continually remind myself that the Lord is in control of all situations (even the border situation), and that I am commanded in Romans 13:1-7 to be subject to the authorities since they are ordained of God. It doesn't make waiting any easier emotionally, but God always blesses obedience to his Word. God has given us opportunities to minister in both English and Spanish Churches in the area and to be involved in soul-winning, preaching and teaching every week. Souls are being saved and lives changed even while we wait.

Iglesia Bautista de la Gracia, Bermejillo Durango – Praise the Lord for the good reports we are hearing from Pastor Lorenzo and the church in Bermejillo. The covid restrictions are not as stringent in this area and they have been able to have several activities this summer.

They held a VBS in July and had a good attendance with nearly 40 children. Several of these little ones made a profession of faith and we hope they will continue in attendance as well as the opportunity to reach the family members of these children.

The new mission in the small rancho of Nombre de Dios has continued to attract visitors and had a good number of attendees. Please pray for Brother Lorenzo and Brother Ramiro as they witness and endeavor to try to reach the souls of this small town. It continues to amaze me how God chooses to use the things that we would tend to consider too "little".

Recent Service at new Mission

Iglesia Bautista Castillo Mio, Cd. Juárez, Chihuahua – Pastor Pedro Gutiérrez has been able to see several visitors and there are several people currently taking the new member class at the church each Sunday afternoon. They will be celebrating the 12th anniversary this coming September and hope to receive several new members by baptisms as well as several who are attending the class.

Pastor Pedro has been emphasizing Bible doctrine and is expository preaching though the book of Romans for the past several months. Please pray for the churches in Mexico as they defend sound doctrine against false doctrines promoted online which exploded during the pandemic as people substituted the local church for online teaching.

Prayer Requests – Please pray that the churches would remain faithful to God's Word and for Wisdom, Direction, and Opportunities to serve while we wait on the Lord's timing.

Looking for that blessed hope and glorious appearing! Amen!
