SERVING GOD IN THE EL PASO / JUAREZ BORDER PLEX

April | May 2022

"The LORD hath done great things for us; whereof we are glad. ... They that sow in tears shall reap in joy. He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him." Psalm 126:3, 5-6

Dear Pastors, Supporters, and Ministry Friends,

Greetings and thank you for your prayers and support for the ministry in this part of the world. The LORD has done great things for us, and we are very thankful to Him and to you for making it all possible! It's been a whirlwind of activity here!

We had the privilege of participating with missionaries Paul and Bethann Buskager and 16 other people on an evangelistic campaign in Puerto Peñasco, Sonora Mex. in April. The Lord blessed, and we were able to distribute over 50,000 Gospel tracts on the streets of this town. We held 6 different open air evangelistic meetings where we played games with the children, shared a Bible story and then give a clear presentation of the gospel. Combined attendance was over 600 and I would estimate at least 200 professions of faith!

Kelly and I were able to personally lead several people to Christ! A man came up to me on the street. His name is Magdiel. He said, "I've been in a 12-step program for 3 years, I'm clean from alcohol but I need to find God. Can you tell me how to find him?" He was so attentive, even telling me not to worry with some of the distractions. After about 30 minutes, Magdiel bowed his head and accepted Jesus. He shared his contact information and asked me to please give it to the pastor for follow-up!

A man from Honduras and his wife came into a church service on Sunday morning with about 10 minutes left in my message. After the Service I dealt with him and Kelly with his wife. Both Kevin and Diana trusted Christ and committed to continue attending church there.

Kelly led another lady by the name of Ana to the Lord in the market area. I got to lead a man to the Lord named Mario at the Park. Mexico continues to be a very receptive field. We are trying to plan another campaign this fall in a different area.
