"And he said unto them, Go ye into all the world, and preach the gospel to every creature."

Mark 16:15

Dear Pastors, Supporters, and Ministry Friends,

It's hard to believe we are nearing the end of another year. God has been so good to allow us to be part of His ministry. We continue to see souls saved and lives changed for His glory. Thank you for your faithfulness in prayers and financial support for us!

We continue to share the Gospel on nearly a daily basis. Together with people at Westside Baptist Temple we've prayed for over 5,000 homes in our area in the last 10 months! This combined with soul-winning efforts has led to God blessing us with visitors nearly every week. with many professions of faith and with several baptisms. There have been 5 baptized in just the past two weeks (one was an 89-year-old man).

The Lord Jesus Christ is the one that deserves ALL the glory and praise for these exciting things! Just like we don't credit Joshua for the walls of Jericho coming down after he and the people walked around Jericho for 7 days – neither should you nor I take any credit for what God is doing in our lives and ministries.

The Multiplication your Missions Giving! – One aspect many who give to missions don't consider is the way God multiplies your giving. You see, giving to missions isn't just something Americans do, it's something ALL Christians have a responsibility to do. We've taught all our churches in Mexico to give to missions, as well as the Spanish class we lead in El Paso. Combined, these believers that you've had a direct part in, gave over \$10,000 to missionaries around the world in the past 12 months.

The missionaries we support then support even more missionaries in other parts of the world who in turn teach their congregations to give to missions and it just keeps going. You get the idea – so, only heaven will reveal the impact your offerings have had for the cause of Christ. And you thought you'd never need math! Good thing God keeps track!

Mexican Churches – I am pleased to inform you that the churches continue to see souls saved and they continue to grow with new baptisms and members. Pastor Pedro Gutierrez of the Iglesia Bautista Castillo Mio recently told me of a new family that have joined with the plan to be trained for the ministry with a vision to open a new work in the not-so-distant future. Please pray for Jose Dominguez. Add another multiplier to your giving!

Less of me in 2023! – John the Baptist said, **"He must increase, but I must decrease."** My desire for coming year is that Jesus would be magnified in my life and that I would forever decrease. I'm way past the point in my life and ministry where I am looking for the applause and approval of man. Please pray for me that I would continually put Jesus on a pedestal. He said, **"And I, if I be lifted up from the earth, will draw all men unto me"**. One application from this text is that if you and I will exalt Jesus, he in turn will draw men to himself and save them. As heaven draws nearer for each of us let's re-double our efforts to see people trust Him. I believe with all my heart we're in the last time we'll be able to do it this side of eternity – Less of me in 2023 - Let's lift up Christ so all can see Him!

Prayer Requests – Pray for wisdom, strength, and direction. For more souls. For More laborers. For health and strength. Pastor Angel Luna still waiting surgery.

Looking for that Blessed Hope and Glorious Appearing!
