

TIM AND KELLY URLING

- SERVING GOD IN THE EL PASO / JUAREZ BORDER PLEX -

February 17, 2023

Dear Pastors, Supporters, and Ministry Friends,

Kelly and I have been serving the Lord for over 25 years and we've seen the Lord do many wonderful things through our ministry. As I informed you a little over a year ago, we have been focusing our ministry on the U.S. side of the border with Westside Baptist Temple in El Paso while still helping and supporting the churches in Mexico. Our focus on evangelism, discipleship, training, and establishing new churches has remained unchanged. We continue to see God's blessing on the ministry on both sides of the border.

Thanks in part to your faithful support, during the past 12 months, we've seen a new mission established under the leadership of Pastor Mario Zurita. He and his wife Marta were 3 weeks from graduation when the COVID restrictions began in Juarez, and we were forced to shutter the Bible Institute. Brother Lorenzo Ballenas has recently begun training a man for the ministry in Bermejillo, Durango. What a joy it was to see photos of this new preacher baptizing in a horse trough!

We've also participated in different Gospel tract campaigns and open-air meetings which have resulted in over 80,000 gospel tracts being distributed, hundreds of people hearing the gospel and well over 100 professions of faith. The churches we've helped to establish continue to win souls, preach the gospel, see people saved, baptized, and added to the church. They support various missionaries as well.

Several of the pastors and churches still receive financial support from us through To Every Creature Ministries a non-profit we established for this purpose. Please pray we would be able to continue helping them.

On the US side of the border, we've continued serving in many ways including Sunday School, Soul Winning, a Spanish Service, a Youth for Christ ministry at a local High School and Preaching when called upon. We've seen many souls trust Christ, several baptized, growing in the Lord and added to the church.

Beginning next month, Westside Baptist Temple will be giving me a salary to meet our personal expenses. As far as our day-to-day activities, not much will change. We plan to continue supporting and helping the churches in Mexico as long as the Lord provides the funds and opportunities to do it.

If the Lord would so lead, would you consider continuing your prayer and financial support? This support wouldn't be used for us personally, but to help the churches, pastors, and ministries in Mexico and the border region. As Paul wrote in Philippians 4:17 "Not because I desire a gift: but I desire fruit that may abound to your account." The needs in these ministries are still great and we would be careful to make sure your support is used to make the maximum impact for the Gospel.

For Souls, with Sincere Gratefulness and Still Looking for that Blessed Hope!
